Part I—The Standards

INTRODUCTION

The Board of Directors of CAMFT hereby publishes pursuant to the Association Bylaws, a Revised *CAMFT Code of Ethics*. Members of CAMFT are expected to be familiar with and abide by these standards and by applicable California laws and regulations governing the conduct of licensed marriage, and family therapists, supervisors, educators, interns, applicants, students, and trainees. The effective date of these revised standards is June 11, 2011.

The practice of marriage, and family therapy and psychotherapyⁱ is both an art and a science. It is varied in its approach, technique, modality, and method of service delivery. These ethical standards are to be read, understood, and utilized as a guide for ethical behavior. The general principles contained in this code of conduct are also used as a basis for the adjudication of ethical issues and/or complaints (both within and outside of CAMFT) that may arise. Ethical behavior must satisfy not only the judgment of the individual marriage and family therapist, but also the judgment of his/her peers, based upon a set of recognized norms.

We recognize that the development of standards is an ongoing process, and that every conceivable situation that may occur cannot be expressly covered by any set of standards. The absence of a specific prohibition against a particular kind of conduct does not mean that such conduct is either ethical or unethical. While the specific wording of these standards is important, the spirit and intent of the principles should be taken into consideration by those utilizing or interpreting this code. The titles to the various sections of these standards are not considered a part of the actual standard. Violations of these standards may be brought to the attention of the CAMFT Ethics Committee, in writing, at CAMFT's administrative office, 7901 Raytheon Road, San Diego, CA 92111-1606, or at such other address as may be necessary because of a change in location of the administrative office.

1 Responsibility to Patientsⁱⁱ

Marriage and family therapistsⁱⁱⁱ advance the welfare of families and individuals, respect the rights of those persons seeking their assistance, and make reasonable efforts to ensure that their services are used appropriately.

- 1.1 **NON-DISCRIMINATION:** Marriage and family therapists do not condone or engage in discrimination, or refuse professional service to anyone on the basis of race, gender, gender identity, gender expression, religion, national origin, age, sexual orientation, disability, socioeconomic, or marital status. Marriage and family therapists make reasonable efforts to accommodate patients who have physical disabilities.
- 1.1.1 **HISTORICAL AND SOCIAL PREJUDICE:** Marriage and family therapists are aware of and do not perpetuate historical and social prejudices when diagnosing and treating patients because such conduct may lead to misdiagnosing and pathologizing patients.
- 1.2 **DUAL RELATIONSHIPS-DEFINITION:** Marriage and family therapists are aware of their influential position with respect to patients, and they avoid exploiting the trust and dependency of such persons. Marriage and family therapists therefore avoid dual relationships^{iv} with patients that are reasonably likely to impair professional judgment or lead to exploitation. A dual relationship occurs when a therapist and his/her patient engage in a separate and distinct relationship either simultaneously with the therapeutic relationship, or during a reasonable period of time following the termination of the therapeutic relationship. Not all dual relationships are unethical, and some dual relationships

cannot be avoided. When a concurrent or subsequent dual relationship occurs, marriage and family therapists take appropriate professional precautions to ensure that judgment is not impaired and that no exploitation occurs.

- 1.2.1 UNETHICAL DUAL RELATIONSHIPS: Other acts that would result in unethical dual relationships include, but are not limited to, borrowing money from a patient, hiring a patient, engaging in a business venture with a patient, or engaging in a close personal relationship with a patient. Such acts with a patient’s spouse, partner or family member may also be considered unethical dual relationships.
- 1.2.2 SEXUAL CONTACT: Sexual intercourse, sexual contact or sexual intimacy with a patient, or a patient’s spouse or partner, or a patient’s immediate family member, during the therapeutic relationship, or during the two years following the termination of the therapeutic relationship, is unethical. Should a marriage and family therapist engage in sexual intimacy with a former patient or a patient’s spouse or partner, or a patient’s immediate family member, following the two years after termination or last professional contact, the therapist shall consider the potential harm to or exploitation of the former patient or to the patient’s family.
- 1.2.3 PRIOR SEXUAL RELATIONSHIP: A marriage and family therapist does not enter into a therapeutic relationship with a person with whom he/she has had a sexual relationship or with a partner or the immediate family member of a person with whom he/she has had a sexual relationship.
- 1.3 TREATMENT DISRUPTION: Marriage and family therapists are aware of their professional and clinical responsibilities to provide consistent care to patients and maintain practices and procedures that assure uninterrupted care. Such practices and procedures may include, but are not limited to, providing contact information and specified procedures in case of emergency or therapist absence, conducting appropriate terminations, and providing for a professional will.
- 1.3.1 TERMINATION: Marriage and family therapists use sound clinical judgment when terminating therapeutic relationships and do so in an appropriate manner. Reasons for termination may include, but are not limited to, the patient is not benefiting from treatment; continuing treatment is not clinically appropriate; the therapist is unable to provide treatment due to the therapist’s incapacity or extended absence, or in order to avoid an ethical conflict or problem.
- 1.3.2 ABANDONMENT: Marriage and family therapists do not abandon or neglect patients in treatment. If a therapist is unable or unwilling to continue to provide professional services, the therapist will assist the patient in making clinically appropriate arrangements for continuation of treatment.
- 1.3.3 FINANCIAL GAIN: Marriage and family therapists do not maintain therapeutic relationships solely for financial gain.
- 1.3.4 NON-PAYMENT OF FEES: Marriage and family therapists do not terminate patient relationships for non-payment of fees except when the termination is handled in a clinically appropriate manner.
- 1.4 PATIENT AUTONOMY: Marriage and family therapists respect the right of patients to make decisions and help them to understand the consequences of their decisions. When clinically appropriate, marriage and family therapists advise their patients that decisions on the status of their personal relationships, including dissolution, are the responsibilities of the patient(s).
- 1.4.1 PATIENT CHOICES: Marriage and family therapists respect patient choices and work jointly with patients to develop and review treatment plans that are consistent with patients’ goals and that offer a reasonable likelihood of patient benefit.

- 1.4.2** ELECTRONIC THERAPY: When patients are not physically present (e.g., therapy by telephone or Internet) during the provision of therapy, marriage and family therapists take extra precautions to meet their responsibilities to patients. Prior to utilizing electronic therapy, marriage and family therapists consider the appropriateness and suitability of this therapeutic modality to the patient's needs. When therapy occurs by electronic means, marriage and family therapists inform patients of the potential risks, consequences, and benefits, including but not limited to, issues of confidentiality, clinical limitations, transmission difficulties, and ability to respond to emergencies. Marriage and family therapists ensure that such therapy complies with the informed consent requirements of the California Telemedicine Act.
- 1.5** THERAPIST DISCLOSURES: Marriage and family therapists provide adequate information to patients in clear and understandable language so that patients can make meaningful decisions about their therapy. Marriage and family therapists respect the right of patients to choose whether to enter into or remain in a therapeutic relationship.
- 1.5.1** DISCLOSURE: Where a marriage and family therapist's personal values, attitudes, and/or beliefs are a determinative factor in diagnosing or limiting treatment provided to a client, the marriage and family therapist shall disclose such information to the patient.
- 1.5.2** RISKS AND BENEFITS: Marriage and family therapists inform patients of the potential risks and benefits of therapy when utilizing novel or experimental techniques or when there is a risk of harm that could result from the utilization of any technique.
- 1.5.3** EMERGENCIES/CONTACT BETWEEN SESSIONS: Marriage and family therapists inform patients of the extent of their availability for emergencies and for other contacts between sessions. When a marriage and family therapist is not located in the same geographic area as the patient, he/she shall provide the patient with appropriate resources in the patient's locale for contact in case of emergency.
- 1.5.4** CONSENT FOR RECORDING/OBSERVATION: Marriage and family therapists obtain written informed consent from patients before videotaping, audio recording, or permitting third party observation.
- 1.5.5** LIMITS OF CONFIDENTIALITY: Marriage and family therapists are encouraged to inform patients as to certain exceptions to confidentiality such as child abuse reporting, elder and dependent adult abuse reporting, and patients dangerous to themselves or others.
- 1.5.6** THERAPIST BACKGROUND: Marriage and family therapists are encouraged to inform patients at an appropriate time and within the context of the psychotherapeutic relationship of their experience, education, specialties, and theoretical and professional orientation, and any other information deemed appropriate by the therapist.
- 1.6** EXPLOITATION: Marriage and family therapists do not use their professional relationships with patients to further their own interests and do not exert undue influence on patients.
- 1.7** PATIENT BENEFIT: Marriage and family therapists continually monitor their effectiveness and take steps to improve when necessary. Marriage and family therapists continue therapeutic relationships only so long as it is reasonably clear that patients are benefiting from the relationship.
- 1.8** EMPLOYMENT AND CONTRACTUAL TERMINATIONS: When terminating employment or contractual relationships, marriage and family therapists primarily consider the best interests of the patient when resolving issues of continued responsibility for patient care.
- 1.9** FAMILY UNIT/CONFLICTS: When treating a family unit(s), marriage and family therapists carefully

consider the potential conflict that may arise between the family unit(s) and each individual. Marriage and family therapists clarify, at the commencement of treatment, which person or persons are clients and the nature of the relationship(s) the therapist will have with each person involved in the treatment.

- 1.10 WITHHOLDING RECORDS/NON-PAYMENT: Marriage and family therapists do not withhold patient records or information solely because the therapist has not been paid for prior professional services.
- 1.11 CONSULTATION: When appropriate, marriage and family therapists consult, collaborate with, and refer to physicians, other health care professionals, and community resources in order to improve and protect the health and welfare of the patient.
- 1.12 ADVOCATE WITH THIRD PARTY PAYERS: When appropriate, marriage and family therapists advocate for mental health care they believe will benefit their patients. In appropriate circumstances, they challenge denials of care, or denials of payment for care, by managed care organizations, insurers, or other payers.
- 1.13 TREATMENT ALTERNATIVES: Marriage and family therapists discuss appropriate treatment alternatives with patients. Marriage and family therapists do not limit their discussions of treatment alternatives to what is covered by third-party payers.
- 1.14 POTENTIAL CONFLICTS: Marriage and family therapists carefully consider potential conflicts when providing concurrent or sequential individual, couple, family, and group treatment, and will take reasonable care to avoid or minimize such conflicts.
- 1.15 DOCUMENTING TREATMENT DECISIONS: Marriage and family therapists are encouraged to carefully document in their records when significant decisions are made, e.g., determining reasonable suspicion of child, elder or dependent adult abuse, determining when a patient is a danger to self or others, when making major changes to a treatment plan, or when changing the unit being treated.
- 1.16 NON-THERAPIST ROLES: When marriage and family therapists engage in professional roles other than treatment or supervision (including, but not limited to, managed care utilization review, consultation, coaching, adoption service, or behavior analysis), they act solely within that role and clarify, when necessary to avoid confusion with consumers and employers, how that role is distinguished from the practice of marriage and family therapy.
- 1.17 THIRD PARTY PAYER DISCLOSURES: Marriage and family therapists advise patients of the information that will likely be disclosed when submitting claims to managed care companies, insurers, or other third party payers, such as dates of treatment, diagnosis, prognosis, progress, and treatment plan.

2 Confidentiality

Marriage and family therapists have unique confidentiality responsibilities because the “patient” in a therapeutic relationship may be more than one person. The overriding principle is that marriage and family therapists respect the confidences of their patient(s).

- 2.1 DISCLOSURES OF CONFIDENTIAL INFORMATION: Marriage and family therapists do not disclose patient confidences, including the names or identities of their patients, to anyone except a) as mandated by law b) as permitted by law c) when the marriage and family therapist is a defendant in a civil, criminal, or disciplinary action arising from the therapy (in which case patient confidences may only be disclosed in

the course of that action), or d) if there is an authorization previously obtained in writing, and then such information may only be revealed in accordance with the terms of the authorization.

- 2.2** SIGNED AUTHORIZATIONS—RELEASE OF INFORMATION: When there is a request for information related to any aspect of psychotherapy or treatment, each member of the unit receiving such therapeutic treatment must sign an authorization before a marriage and family therapist will disclose information received from any member of the treatment unit.
- 2.3** ELECTRONIC MEDIA: Marriage and family therapists are aware of the possible adverse effects of technological changes with respect to the dissemination of patient information, and take care when disclosing such information. Marriage and family therapists are also aware of the limitations regarding confidential transmission by Internet or electronic media and take care when transmitting or receiving such information via these mediums.
- 2.4** MAINTENANCE OF PATIENT RECORDS—CONFIDENTIALITY: Marriage and family therapists store, transfer, transmit, and/or dispose of patient records in ways that protect confidentiality.
- 2.5** EMPLOYEES—CONFIDENTIALITY: Marriage and family therapists take appropriate steps to ensure, insofar as possible, that the confidentiality of patients is maintained by their employees, supervisees, assistants, and volunteers.
- 2.6** USE OF CLINICAL MATERIALS—CONFIDENTIALITY: Marriage and family therapists use clinical materials in teaching, writing, and public presentations only if a written authorization has been previously obtained in accordance with 2.1 d), or when appropriate steps have been taken to protect patient identity.
- 2.7** GROUPS—CONFIDENTIALITY: Marriage and family therapists, when working with a group, educate the group regarding the importance of maintaining confidentiality, and are encouraged to obtain written agreement from group participants to respect the confidentiality of other members of the group.

3 Professional Competence and Integrity

Marriage and family therapists maintain high standards of professional competence and integrity.

- 3.1** CONVICTION OF CRIME: Marriage and family therapists are in violation of this Code and subject to termination of membership, or other appropriate action, if they: a) are convicted of a crime substantially related to their professional qualifications or functions; b) are expelled from or disciplined by other professional organizations; c) have licenses or certificates that are lapsed, suspended, or revoked or are otherwise disciplined by regulatory bodies; d) if they continue to practice when they are no longer competent to practice because they are impaired due to physical or mental causes or the abuse of alcohol or other substances; or e) fail to cooperate with the Association or the Ethics Committee at any point from the inception of an ethical complaint through the completion of all proceedings regarding that complaint.
- 3.2** FINANCIAL INCENTIVES: Marriage and family therapists avoid contractual arrangements that provide financial incentives to withhold or limit medically/psychologically necessary care.
- 3.3** PATIENT RECORDS: Marriage and family therapists create and maintain patient records, whether written, taped, computerized, or stored in any other medium, consistent with sound clinical practice.
- 3.4** PROFESSIONAL ASSISTANCE: Marriage and family therapists seek appropriate professional assistance for their personal problems or conflicts that impair work performance or clinical judgment.

- 3.5 STAYING CURRENT: Marriage and family therapists remain abreast of developments in their field through educational activities or clinical experiences. Marriage and family therapists, when acting as teachers, supervisors, and researchers, stay abreast of changes in the field, maintain relevant standards of scholarship, and present accurate information.
- 3.6 CULTURAL SENSITIVITY: Marriage and family therapists actively strive to identify and understand the diverse cultural backgrounds of their clients by gaining knowledge, personal awareness, and developing sensitivity and skills pertinent to working with a diverse client population.
- 3.7 THERAPIST VALUES: Marriage and family therapists make continuous efforts to be aware of how their cultural/racial/ethnic identities, values, and beliefs affect the process of therapy. Marriage and family therapists do not exert undue influence on the choice of treatment or outcomes based on such identities, values and beliefs.
- 3.8 HARASSMENT OR EXPLOITATION: Marriage and family therapists do not engage in sexual or other harassment or exploitation of patients, students, supervisees, employees, or colleagues.
- 3.9 SCOPE OF COMPETENCE: Marriage and family therapists take care to provide proper diagnoses of mental and emotional disorders or conditions and do not assess, test, diagnose, treat, or advise on problems beyond the level of their competence as determined by their education, training, and experience. While developing new areas of practice, marriage and family therapists take steps to ensure the competence of their work through education, training, consultation, and/or supervision.
- 3.10 PATIENT SEEING TWO THERAPISTS: Marriage and family therapists do not generally provide professional services to a person receiving treatment or therapy from another psychotherapist, except by agreement with such other psychotherapist or after the termination of the patient's relationship with the other psychotherapist.
- 3.11 ELECTRONIC SERVICES: Marriage and family therapists provide services by Internet or other electronic media to patients located only in jurisdictions where the therapist may lawfully provide such services.
- 3.12 RESEARCH FINDINGS: Marriage and family therapists take reasonable steps to prevent the distortion or misuse of their clinical and research findings.
- 3.13 PUBLIC STATEMENTS: Marriage and family therapists, because of their ability to influence and alter the lives of others, exercise care when making public their professional recommendations and opinions through testimony or other public statements.
- 3.14 LIMITS OF PROFESSIONAL OPINIONS: Marriage and family therapists do not express professional opinions about an individual's mental or emotional condition unless they have treated or conducted an examination of the individual, or unless they reveal the limits of the information upon which their professional opinions are based, with appropriate cautions as to the effects of such limited information upon their opinions.

4 Supervisor, Student, and Supervisee Responsibilities

Marriage and family therapists do not exploit the trust and dependency of students and supervisees.

- 4.1 DUAL RELATIONSHIPS: Marriage and family therapists are aware of their influential position with respect to students and supervisees, and they avoid exploiting the trust and dependency of such

persons. Marriage and family therapists therefore avoid dual relationships that are reasonably likely to impair professional judgment or lead to exploitation. Provision of therapy to students or supervisees is unethical. Provision of marriage and family therapy supervision to clients is unethical. Sexual intercourse, sexual contact or sexual intimacy and/or harassment of any kind with students or supervisees is unethical. Other acts which could result in unethical dual relationships include, but are not limited to, borrowing money from a supervisee, engaging in a business venture with a supervisee, or engaging in a close personal relationship with a supervisee. Such acts with a supervisee's spouse, partner or family member may also be considered unethical dual relationships.

- 4.2 COMPETENCE OF SUPERVISEES: Marriage and family therapists do not permit students, employees, or supervisees to perform or to hold themselves out as competent to perform professional services beyond their training, level of experience, competence, or unlicensed status.
- 4.3 MAINTAINING SKILLS OF SUPERVISORS: Marriage and family therapists who act as supervisors are responsible for maintaining the quality of their supervision skills and obtaining consultation or supervision for their work as supervisors whenever appropriate.
- 4.4 KNOWLEDGE OF SUPERVISORS: Supervisors and educators are knowledgeable about supervision, relevant laws and regulations, and the practice of marriage and family therapy. Supervisors and educators are knowledgeable about and abide by the laws and regulations governing the conduct of supervisors and supervisees.

- 4.6 CULTURAL DIVERSITY: Supervisors and educators are aware of and address the role that culture and diversity issues play in the supervisory relationship, including, but not limited to, evaluating, terminating, disciplining, or making decisions regarding supervisees or students.
- 4.7 POLICIES AND PROCEDURES: Supervisors and educators create policies and procedures that are clear and that are disclosed to supervisees and students at the commencement of supervision or education.
- 4.8 PERFORMANCE APPRAISALS: Supervisors and educators provide supervisees with periodic performance appraisals and evaluative feedback throughout the supervisory relationship and identify and address the limitations of supervisees and students that might impede their performance.
- 4.9 BUSINESS PRACTICES: Supervisors follow lawful business practices and employer policies when employing and/or supervising interns, trainees, applicants, and associates.
- 4.10 PERFORMANCE ASSISTANCE: Supervisors and educators guide supervisees and students in securing assistance when needed for the supervisee to maintain or improve performance, such as personal psychotherapy, additional education, training, or consultation.
- 4.11 DISMISSAL: Supervisors shall document their decisions to dismiss supervisees.
- 4.12 REVIEW OF TRAINEE AGREEMENTS: Supervisors are aware of and review any trainee agreements with qualified educational institutions.
- 4.13 PATIENTS ARE PATIENTS OF EMPLOYER: Supervisees understand that the patients seen by them are the patients of their employers.

- 5.1 RESPECT CONFIDENCE OF COLLEAGUES: Marriage and family therapists respect the confidences of colleagues that are shared in the course of their professional relationships.
- 5.2 IMPAIRED COLLEAGUES: Marriage and family therapists are encouraged to assist colleagues who are impaired due to substance abuse, emotional problems, or mental illness.

- 5.4 SOLICITING OTHER THERAPISTS' PATIENTS: Marriage and family therapists do not agree to see or solicit the clients of other therapists or encourage clients to leave other therapists, except as addressed in Section 3.10.

6 Responsibility to Research Participants

Researchers respect the dignity and protect the welfare of participants in research and are aware of federal and state laws and regulations and professional standards governing the conduct of research.

- 6.1 SAFEGUARDS: Researchers are responsible for making careful examinations of ethical acceptability in planning studies. To the extent that services to research participants may be compromised by participation in research, researchers seek the ethical advice of qualified professionals not directly involved in the research and observe safeguards to protect the rights of research participants.
- 6.2 DIMINISHED CONSENT WHEN RECEIVING SERVICES: Researchers requesting participants' involvement in research inform them of all aspects of the research that might reasonably be expected to influence willingness to participate. Researchers are especially sensitive to the possibility of diminished consent when participants are also receiving clinical services, have impairments which limit understanding and/or communication, or when participants are children.
- 6.3 DUAL RELATIONSHIPS WITH RESEARCH PARTICIPANTS: Researchers respect participants' freedom to decline participation in or to withdraw from a research study at any time. This obligation requires special thought and consideration when researchers or other members of the research team are in positions of authority or influence over participants. Marriage and family therapists, therefore, make every effort to avoid dual relationships with research participants that could impair professional judgment or increase the risk of exploitation.
- 6.4 CONFIDENTIALITY: Information obtained about a research participant during the course of a research

project is confidential unless there is an authorization previously obtained in writing. When the possibility exists that others, including family members, may obtain access to such information, this possibility, together with the plan for protecting confidentiality, is explained.

7 Responsibility to the Profession

Marriage and family therapists respect the rights and responsibilities of professional colleagues and participate in activities that advance the goals of the profession.

- 7.1 ACCOUNTABLE TO STANDARDS OF PROFESSION: Marriage and family therapists remain accountable to the standards of the profession when acting as members or employees of organizations.
- 7.2 PUBLICATION CREDIT: Marriage and family therapists assign publication credit to those who have contributed to a publication in proportion to their contributions and in accordance with customary professional publication.
- 7.3 AUTHORS—CITING OTHERS: Marriage and family therapists who are the authors of books or other materials that are published or distributed appropriately cite persons to whom credit for original ideas is due.
- 7.4 AUTHORS—ADVERTISING BY OTHERS: Marriage and family therapists who are the authors of books or other materials published or distributed by an organization take reasonable steps to ensure that the organization promotes and advertises the materials accurately.
- 7.5 PRO BONO SERVICES: Marriage and family therapists are encouraged to participate in activities that contribute to a better community and society, including devoting a portion of their professional activity to services for which there is little or no financial return.
- 7.6 DEVELOPING PUBLIC POLICY: Marriage and family therapists are concerned with developing laws and regulations pertaining to marriage and family therapists that serve the public interest, and with altering such laws and regulations that are not in the public interest.
- 7.7 FAILURE TO COOPERATE WITH COMMITTEE: Marriage and family therapists cooperate with the Ethics Committee and truthfully represent facts to the Ethics Committee. Failure to cooperate with the Ethics Committee is itself a violation of these standards.

8 Responsibility to the Legal System

Marriage and family therapists recognize their role in the legal system and their duty to remain objective and truthful.

- 8.1 TESTIMONY: Marriage and family therapists who give testimony in legal proceedings testify truthfully and avoid making misleading statements.
- 8.2 EXPERT WITNESSES: Marriage and family therapists who act as expert witnesses base their opinions and conclusions on appropriate data, and are careful to acknowledge the limits of their data or conclusions in order to avoid providing misleading testimony or reports.
- 8.3 CONFLICTING ROLES: Whenever possible, marriage and family therapists avoid performing conflicting

roles in legal proceedings and disclose any potential conflicts. At the outset of the service to be provided and as changes occur, marriage and family therapists clarify role expectations and the extent of confidentiality to prospective clients, to the courts, or to others as appropriate.

- 8.4 DUAL ROLES: Marriage and family therapists avoid providing both treatment and evaluations for the same clients or treatment units in legal proceedings such as child custody, visitation, dependency, or guardianship proceedings, unless otherwise required by law or initially appointed pursuant to court order.
- 8.5 IMPARTIALITY: Marriage and family therapists, regardless of their role in a legal proceeding, remain impartial and do not compromise their professional judgment or integrity.
- 8.6 MINORS AND PRIVILEGE: Marriage and family therapists confirm the holder of the psychotherapist patient privilege on behalf of minor clients prior to releasing information or testifying.
- 8.7 OPINIONS ABOUT PERSONS NOT EVALUATED: Marriage and family therapists shall only express professional opinions about clients they have treated or examined. Marriage and family therapists, when expressing professional opinions, specify the limits of the information upon which their professional opinions are based. Such professional opinions include, but are not limited to, mental or emotional conditions or parenting abilities.
- 8.8 CUSTODY EVALUATORS: Marriage and family therapists who are custody evaluators (private or court-based) or special masters provide such services only if they meet the requirements established by pertinent laws, regulations, and rules of court.
- 8.9 CONSEQUENCES OF CHANGES IN THERAPIST ROLES: Marriage and family therapists inform the patient or the treatment unit of any potential consequences of therapist-client role changes. Such role changes include, but are not limited to, child's therapist, family's therapist, couple's therapist, individual's therapist, mediator, evaluator, and special master.
- 8.10 FAMILIARITY WITH JUDICIAL AND ADMINISTRATIVE RULES: Marriage and family therapists, when assuming forensic roles, are or become familiar with the judicial and administrative rules governing their roles.

- 9.3 DISCLOSURE OF FEES: Marriage and family therapists disclose, in advance, their fees and the basis upon which they are computed, including, but not limited to, charges for canceled or missed appointments and any interest to be charged on unpaid balances, at the beginning of treatment and give reasonable notice of any changes in fees or other charges.
- 9.4 COLLECTING ON UNPAID BALANCES: Marriage and family therapists give reasonable notice to

patients with unpaid balances of their intent to sue or to refer for collection. Whenever legal action is taken, therapists will avoid disclosure of clinical information. Whenever unpaid balances are referred to collection agencies, therapists will exercise care in selecting collection agencies and will avoid disclosure of clinical information.

- 9.5 BARTER: Marriage and family therapists ordinarily refrain from accepting goods, services, or other non-monetary remuneration from patients in return for professional services. Such arrangements often create conflicts and may lead to exploitation or distortion of the professional relationship.
- 9.6 THIRD-PARTY PAYERS: Marriage and family therapists represent facts regarding services rendered and payment for services fully and truthfully to third-party payers and others.

10 Advertising

Marriage and family therapists who advertise do so appropriately. Their advertising enables consumers to choose professional services based upon accurate information.

- 10.1 ACCURACY REGARDING QUALIFICATIONS: Marriage and family therapists accurately represent their competence, education, training, and experience relevant to their professional practice to patients and others.
- 10.2 ASSURING ACCURACY: Marriage and family therapists take reasonable steps to assure that advertisements and publications, whether in directories, announcement cards, newspapers, radio, television, Internet or any other media, are formulated to accurately convey information to the public.
- 10.3 FICTITIOUS/OTHER NAMES: Marriage and family therapists do not use a name that could mislead the public concerning the identity, responsibility, source, and status of those practicing under that name, and do not hold themselves out as being partners or associates of a firm if they are not.
- 10.4 FALSE, MISLEADING, OR DECEPTIVE: Marriage and family therapists do not use any professional identification, including but not limited to: a business card, office sign, letterhead, telephone, or association directory listing, Internet, or any other media, if it includes a statement or claim that is false, fraudulent, misleading, or deceptive. A statement is false, fraudulent, misleading, or deceptive if it a) contains a material misrepresentation of fact; b) fails to state any material fact necessary to make the statement, in light of all circumstances, not misleading; or c) is intended to or is likely to create an unjustified expectation.
- 10.5 CORRECTIONS: Marriage and family therapists correct, wherever possible, false, misleading, or inaccurate information and representations made by others concerning the therapist's qualifications, services, or products.
- 10.6 SOLICITATION OF TESTIMONIALS: Marriage and family therapists do not solicit testimonials from patients.
- 10.7 EMPLOYEE—ACCURACY: Marriage and family therapists make certain that the qualifications of persons in their employ are represented in a manner that is not false, misleading, or deceptive.
- 10.8 SPECIALIZATIONS: Marriage and family therapists may represent themselves as either specializing or having expertise within a limited area of marriage and family therapy, but only if they have the education, training, and experience that meets recognized professional standards to practice in that specialty area.

- 10.9** ADVERTISING OF CAMFT MEMBERSHIP: CAMFT clinical, associate, and prelicensed members may identify such membership in CAMFT in public information or advertising materials, but they must clearly and accurately represent whether they are clinical, associate, or prelicensed members.
- 10.10** USE OF “CAMFT”: Marriage and family therapists may not use the initials CAMFT following their name in the manner of an academic degree.
- 10.11** USE OF CAMFT LOGO: Marriage and family therapists may use the CAMFT logo only after receiving permission in writing from the Association. Permission will be granted by the Association to CAMFT members in good standing in accordance with Association policy on the use of CAMFT logo. The Association (which is the sole owner of its name, logo, and the abbreviated initials CAMFT) may grant permission to CAMFT committees and chartered chapters in good standing, operating as such, to use the CAMFT logo. Such permission will be granted in accordance with Association policy on use of the CAMFT logo.
- 10.12** CAMFT MEMBERSHIP: Marriage and family therapists, when publicizing their membership in CAMFT, do not do so in a manner that implies organizational endorsement of their activities.

Violations of these standards may be brought to the attention of the CAMFT Ethics Committee, in writing, mailed to CAMFT’s administrative office at 7901 Raytheon Road, San Diego, CA 92111-1606, or at such other address as may be necessary because of a change in location of the administrative office.

CAMFT Code of Ethics PART I (THE STANDARDS) AND PART II (THE PROCEDURES) is a publication of the California Association of Marriage and Family Therapists, headquartered in San Diego, California.

Part II—The Procedures

PREAMBLE

When accepting membership in the Association, each member agrees to abide by the *CAMFT Code of Ethics*. It is the ethical responsibility of each member to safeguard the standards of ethical practice and to see that violations of the *CAMFT Code of Ethics* are addressed. Members of the Association cooperate with duly constituted bodies of the California Association of Marriage and Family Therapists, and in particular, with the Ethics Committee, by responding to inquiries promptly, truthfully, and completely.

1 Scope of Authority of the Ethics Committee

- A. The Bylaws of the Association (Article IV, Section A) provide for three categories of membership in CAMFT:
 1. clinical member
 2. prelicensed member
 3. associate member
- B. The Association has authority only over these members. This authority is derived from Article IV Section C of the Bylaws.

Except as otherwise provided in these Bylaws, membership in any category shall be upon a majority vote of the Board of Directors. The Board of Directors may refer an application for membership to the Ethics Committee when it has reasonable cause to believe that the applicant may have violated the *CAMFT Code of Ethics*. The Ethics Committee, after investigating the referral, shall make its recommendation to the Board of Directors. All members shall pay dues in accordance with the dues schedule of the Association and shall abide by the Bylaws and the *CAMFT Code of Ethics* of the Association.

The Executive Director shall make reports to licensing board(s) of membership denials, pursuant to Section 805 (c) of the Business and Professions Code.

- C. Article VII, Section B.3. of the Bylaws of the Association authorize the various functions of the Ethics Committee.

The Ethics Committee maintains and reviews the *CAMFT Code of Ethics*, interprets the *CAMFT Code of Ethics* to the membership and the public, conducts investigations of alleged ethics violations, makes recommendations to the Board of Directors regarding members alleged to have violated the *CAMFT Code of Ethics*, makes recommendations to the Board of Directors regarding acceptance or rejection of prospective members who may have violated the *CAMFT Code of Ethics*, and from time to time proposes revisions, deletions, and additions to the *CAMFT Code of Ethics* to the Board of Directors for its approval.

- D. The Bylaws of the Association, in Article IV, Section E3 provides for the expulsion or suspension of members.

Expulsion or suspension: any member who violates the *CAMFT Code of Ethics* may be expelled or suspended from membership in the Association following an investigation and report by the Ethics Committee and

a hearing before the Board of Directors. A two-thirds (2/3) majority vote of those Directors present at the hearing shall be necessary in order to expel or suspend a member. The member accused of the violation shall be given a reasonable opportunity to defend against the charge and shall be entitled to be represented at all stages of the proceedings. Any member to be expelled or suspended shall be entitled to at least fifteen (15) days prior notice of the expulsion or suspension and the reasons therefore, and shall be entitled to be heard, orally or in writing, not less than five (5) days before the effective date of expulsion or suspension by the Board of Directors. Notice may be given by any method reasonably calculated to provide actual notice. Any notice given by mail shall be given by first-class, registered, or certified mail sent to the last address of the member as shown on the Association's records. The *CAMFT Code of Ethics* shall spell out further details of the procedures for investigation and hearing of alleged violations not inconsistent with these Bylaw provisions.

2 Membership and Meetings of The Committee

- A. Article VII, Section B3 of the Bylaws defines the composition and terms of office of the Ethics Committee.

The Ethics Committee shall consist of not less than five (5) nor more than seven (7) members, all of whom shall be clinical members of the Association for at least two (2) years prior to appointment. The Committee shall not contain any directors as members. The term of office shall be two (2) years with a maximum of four terms.

- B. Article VII, Section E of the Bylaws, defines when the Ethics Committee may meet and the required notice for such meetings.

1. Meetings: Committees shall meet at such times as determined either by resolution of the Board of Directors, by resolution of the Committee with the approval of the President, or by a Committee Chair with the prior approval of the President. Meetings of Committees shall be held at the principal office of the Association or at any other place that is designated from time to time by the Board, the Committee, or the Committee Chair.
2. Notice: Meetings of the committees shall be held upon not less than ten (10) days written notice. Notice of a meeting need not be given to any committee member who signed a waiver of notice or a written consent to holding the meeting or an approval of the minutes thereof, whether before or after the meeting, or who attends the meeting without protesting, prior thereto or at its commencement, the lack of notice to such committee member.
3. Quorum: A majority of the committee members of each committee shall constitute a quorum of the committee for the transaction of business.
4. Minutes: Minutes shall be kept of each meeting of any committee and shall be filed with the corporate records. The Board of Directors may adopt rules for the governance of any committee consistent with the provisions of these Bylaws.

3 Initiation of Complaints

- A. The Ethics Committee shall recognize and accept written complaints received from members of the Association or non-members, or the Ethics Committee may proceed on its own initiative, as specified in Section III. F.
- B. All complaints must be in writing.

- C. Complaints must be signed by the complainant and accompanied by the complainant's address and other contact information.
- D. A member who knows of a violation of the *CAMFT Code of Ethics* is encouraged, if appropriate, to attempt to resolve the issue by bringing it to the attention of the particular therapist(s), bringing this fact to the attention of the Ethics Committee in the form of a complaint, and/or, to taking other appropriate action.
- E. Anonymous complaints shall not be recognized or accepted.
- F. Notwithstanding the provisions specified, the Ethics Committee may proceed on its own initiative when it has been presented with sufficient information, which, if proven, would constitute a violation of the *CAMFT Code of Ethics*. For example, the Committee could proceed on information received from another professional organization, a state licensing board, or a peer review committee.
- G. The Ethics Committee may, in its discretion, determine that a complaint should not be acted upon because the events complained about occurred too far in the past.
- H. The Ethics Committee shall proceed with an investigation if directed to do so by the CAMFT Board of Directors.

4 Initial Action by Executive Director

Upon receipt of a complaint, the Executive Director, or his/her designee (hereafter "Executive Director"), shall determine whether the person who is the subject of the complaint is a member or applicant for membership in the Association.

- A. If the person is not a member or an applicant for membership in the Association, the Executive Director shall so inform the complainant in writing and shall explain that the Association has no authority to proceed against the person.
- B. If the person is a member of the Association or an applicant for membership in the Association, the Executive Director shall forward a copy of the complaint to the Chair of the Ethics Committee. A letter shall be sent by the Executive Director to the complainant acknowledging receipt of the complaint and informing the complainant that the person complained against is a member. A copy of the *CAMFT Code of Ethics* shall be included with the letter.

5 Preliminary Determination by Chair of Ethics Committee with the Advice of Legal Counsel

- A. The Chair of the Ethics Committee, or his/her designee (hereafter Chair), with the advice of Legal Counsel for the Association, shall review the complaint and determine whether it states allegations which, if proven, would constitute one or more violations of the *CAMFT Code of Ethics*. In the event the Chair determines that the complaint shall be closed without further action, the complainant shall be notified of such decision and the reason for such decision. When the Chair determines the complaint should not be closed, the complaint shall be referred to the full Ethics Committee. To aid in making such determinations, the Chair, with the advice of Legal Counsel for the Association, may request, in writing, clarification from the complainant.

- B. When a complaint has been referred to the Ethics Committee, the Chair shall request the complainant's permission to disclose his/her name and/or to use any evidence provided by the complainant, for the purpose of the investigation. The Chair or his or her designee shall request that the complainant agree, in writing, to waive his/her rights of confidentiality and/or psychotherapist/patient privilege in order to permit the Ethics Committee to obtain information related to the investigation from the member and/or others.
- C. If the complainant refuses permission for the use of his/her name in the investigation or refuses permission for the disclosure of his/her name or any of the written or other matter or evidence provided by the complainant, or if the complainant refuses to sign a waiver of confidentiality and/or psychotherapist/patient privilege, then the Chair of the Ethics Committee, with the advice of Legal Counsel, may close the matter and notify the complainant in writing or refer the matter to the full Ethics Committee for its action.
- D. All correspondence to the complainant and to the member shall be marked "Confidential" or "Personal and Confidential."
- E. All actions of the Chair shall be reported to the full Ethics Committee at the next regularly scheduled meeting.

6 Investigation by Ethics Committee

- A. The Ethics Committee shall review complaints and supporting documentation/evidence to determine whether or not to investigate complaints. When the complaint warrants investigation, copies of the complaint and supporting documentation/evidence shall be sent to all members of the Ethics Committee. Investigations may be carried out by the Chair of the Committee in consultation with Legal Counsel, by the Chair's designee(s), or by the Committee. The Chair, in consultation with Legal Counsel, may act on behalf of the Committee between meetings of the Committee, to pursue investigations, and shall report such actions to the full Committee.
- B. The Chair of the Ethics Committee, in consultation with Legal Counsel, shall prepare and send a letter to the member, specifying those sections of the *CAMFT Code of Ethics* that may have been violated by the member. The letter shall inform the member of the ethical duty to cooperate with the Ethics Committee in its effort to investigate the circumstances that led to the allegations, and to provide on his/her behalf, a written statement in response to the allegations made in the complaint. The member shall be sent a copy of the *CAMFT Code of Ethics*.
- C. Investigations may be pursued by corresponding with the member and other persons involved in the dispute, or by interviewing such persons, personally or by telephone, or by any other lawful means.
- D. During the investigation stage of the proceedings, the member shall have the right to consult with his/her attorney and shall have the right to have his/her attorney present at any investigatory meeting with the member.

7 Action by the Ethics Committee

- A. After reviewing the complaint, the response of the member, and any other pertinent information, the Ethics Committee may close the case without a finding of a violation of the *CAMFT Code of Ethics*, hold the case in abeyance pending other action, continue the investigation, attempt to settle the case by mutual agreement, send a letter with cautions or recommendations, or recommend to the Board of Directors that the individual's membership be terminated, suspended, placed on probation, or that other action be taken. The Ethics Committee may appropriately impose more stringent requirements upon members previously found to have

violated the *CAMFT Code of Ethics*, or any other relevant professional or state code of professional conduct. If additional evidence of unethical conduct is brought to the attention of the Committee after a matter has been closed, the case may be reopened and acted upon under these procedures.

- B.** If the Ethics Committee decides to attempt to settle the case by mutual agreement:
1. The Committee may recommend to the member that he/she agree to the terms of a Settlement by Mutual Agreement. The terms and conditions of the Settlement by Mutual Agreement may include requiring the member to: cease and desist from specified actions, accept censure, be placed on probation and/or rehabilitation, be under supervision or monitored practice, complete education or therapy or both, agree to suspension or termination of membership in the Association, or any other terms and conditions that the Committee deems appropriate.
 2. The Settlement by Mutual Agreement shall be in writing and shall detail the specific sections of the *CAMFT Code of Ethics* that have been violated and the manner in which the agreement is to be implemented.
 3. The Committee shall supervise and oversee compliance with the Settlement by Mutual Agreement. The Committee has the final authority over the Settlement by Mutual Agreement and the meaning of the terms of the Settlement by Mutual Agreement. The Committee may alter such terms and conditions when requested by the member or as deemed necessary by the Committee with the written agreement of the member.
 4. The Agreement shall become effective and is binding as soon as it is signed by the member and the Chair of the Ethics Committee or at any other time designated in the Agreement. The Agreement shall be maintained in the Association's records.
 5. The Committee, in its sole discretion, may make a finding that the member has not complied with the terms or conditions of the Settlement by Mutual Agreement. In the event of the member's non-compliance with the Settlement by Mutual Agreement, the Committee may proceed in accordance with the provisions of the Settlement by Mutual Agreement that relate to non-compliance, or in accordance with Section D, or in any other manner not inconsistent with Section D.
 6. If no Settlement by Mutual Agreement occurs, because a settlement is offered but ultimately rejected by the member, the Ethics Committee may recommend that action be taken against the member by the Board of Directors as a result of one or more violations of the *CAMFT Code of Ethics*.
- C.** When the Ethics Committee recommends that action be taken by the Board of Directors, the Ethics Committee shall give the member written notice as specified below. Notice shall be given by personal delivery or certified mail sent to the last address of the member as shown on the Association's records. The written notice shall include, at a minimum, all of the following information: 1) the findings of the Ethics Committee, 2) the final proposed action of the Ethics Committee, 3) whether such action, if adopted by the Board of Directors, would require a report pursuant to Section 805 of the Business and Professions Code, 4) that the member has a right to request a hearing on the final proposed action, and 5) that the time limit within which a hearing must be requested is thirty days (30) from receipt of notification of the final proposed action.
- D.** If a hearing is not requested within forty (40) days from mailing of notification of the final proposed action, then the Committee's final proposed action shall be adopted, and the Ethics Committee Chair shall thereafter forward the final determination to the Executive Director for such further action as may be appropriate.
- E.** If a hearing is requested on a timely basis, the Ethics Committee shall give the member written notice. Notice shall be given by personal delivery or certified mail sent to the last address of the member as shown on the

Association's records. The written notice shall include, at a minimum, all of the following information: 1) the reasons for the final proposed action recommended, including the acts or omissions with which the member is charged, and 2) the place, time, and date of the hearing. The hearing shall be commenced within sixty (60) days after receipt of the request for a hearing.

8 Procedures for Hearings Before Board of Directors
